

Sammy Garcia CV

London | s@mmygarcia.com | +4478779304

Summary

I am a highly motivated A level student currently studying Computer Science, Maths, Further Maths and Economics. I consider myself to be a strong problem solver with an educational background in Python. Currently expanding my skills in web development, specifically focusing on HTML, CSS and JavaScript. I am eager to apply my skills and gain experience in the tech industry.
